

RESTORING HOME

Being Better Husbands and Wives

HOME ASSIGNMENT

SUMMARY OF TODAY'S VIDEO

In this episode, Grant Luton assures us, "Marriage is warfare!" and we all chuckle, but there is truth to the statement. Whether that warfare is between husband and wife, or by a husband *for* his wife changes the war into a life of pleasure or pain.

To make warfare work for you:

Women – Restrain from pointing out your man's flaws. Instead, take your voice to the deep place of prayer. Enter the spiritual world often and you'll bring gifts to the physical world of you home.

Men – Read the book Adam Loves Eve and, acting like a true man, apply its lesson of never criticizing your wife.

THIS WEEK

Husbands – Determine this week (7 days) not to speak even ONE negative, critical, or corrective word to or about your wife. The results are going to shock you! ...But, are YOU man enough to do it?

Wives – The Eishet Chaiyel (Woman of Valor) leaves the shore and goes into the deep. This week, venture into the deep. Determine how much time you will spend in prayer and devotion BEYOND what you normally do. You will be amazed at the treasure you'll bring to your home!
