## FAMILY FUN CAMPING OUT

---

### HOME ASSIGNMENT

### SUMMARY OF TODAY'S VIDEO

Adam and Nate share their tips and stories of how they pull off family camping on a regular basis...and what motivates them to 'make it happen' when life's demands are against it.

Camping in the wilderness or the backyard draws families together in ways almost no other family activity can. Let Adam and Nate share their secrets for making a good thing even better.

### THIS WEEK

Plan a picnic or a backyard campout with your whole family. If the weather is not suitable for outdoor camping...roast hotdogs on the stove and spread your sleeping bags in the living room and telling bedtime stories made-up and true.
