

RESTORING HOME

THE “WHY” OF WORK!!

HOME ASSIGNMENT

SUMMARY OF TODAY’S VIDEO

Down to his final \$70, Ben Walkley hits bottom. He tells God, “I’m not doing this anymore. It’s up to you.” Ben says, that’s when the faucet turned on and has continued to date.

Ben and Steve discuss the “why” that we work. Ben has learned that lesson the hard way and he says, “God has shown me that work is not about money, but about serving, blessing, and doing right by His people; money is simply a by-product of that.”

Hear Ben’s personal journey in the world of business in this episode of “Restoring Home.”
