

Acts 4-5

Ananias and Sapphira kid's activities

My suggestion would be to watch one of the short videos below to anchor the story, then use the story props below to act it out. Talk about deception, lies, consequences, generosity, and giving for the right reasons. What is a mitzvah and how does it change when we do it for others to see vs. doing it in secret to bless others? There are pintables below for the props but it would also be easy to get some brown paper bags and some coins- assign the characters and follow along with the chapter, acting it out as it is read.
