

Hello families! Included are the Acts 7 activity links I passed out this past week for you to work on the week before the teaching. Below you will also find Rosh Hashanah activity ideas (page 2) that you can start talking about this week to get the kids excited for the beginning of this season. I put some materials in that can help you explain the meaning behind it which would be a great place to start. I have a feeling like I will find more throughout the week and if you have any to share, please send them over. There will most likely be a part 2 providing more links to ideas.

ACTS 7

Here are the links I passed out at the Torah service for families in attendance. The idea was to pre-teach this weeks upcoming lesson to your children all week and then have them be able to participate during the home fellowship teaching by doing another skit or showing some the materials they worked on during the week. There is also a little script at the end that we used to introduce the play.

Hello,

I am Stephen. They describe me as being full of faith and the Holy Spirit. I was one of 7 who was chosen to help widows and give out food. (Give out food)

I gave a speech that some did not like. I reminded them about Abraham, and Joseph and Moses. I reminded them that they turned away from G-d. They said my speech was blasphemy, but it was the truth!

They stoned me as punishment for telling the truth that they did not want to hear! (kids throw pretend rocks) But, I looked up to heaven and saw the glory of G-d. I saw Yeshua standing at the right hand of the Father!
