

Acts 8 BT kid's activities

Remember, I am a week ahead so you can pre-teach the chapter before your homegroup. The kids can bring the completed materials to the group and act out with everyone. This should help them to be more engaged during the teaching/reading. Let the older kids help the younger kids by putting on a play or helping with the crafts.

Acting out—as usual I would act out the chapter with the kids-it helps them to remember and understand! –

Key characters: Saul, Philip, Simon, Peter, angel, Ethiopian
