[ACTS OF THE APOSTLES]

Ch. 2:1-41 • "Shavuot"

## Discussion Questions:

1. Peter has come a long way since his days of denying Yeshua three times (Luke 22). Go back over that chapter in Luke and discuss why it is Simon Peter did what he did—and what he had to overcome to be the man we see here in Acts 2.
2. Read Numbers 11. How does this passage help explain the endowment of the Holy Spirit upon the disciples of Yeshua?
3. Discuss what it has meant to you to be "filled with the Holy Spirit," and how your understanding may have changed over time.
4. How does understanding that the Temple is the setting of the first several verses of chapter 2 help make sense of what happens?
5. So far in Acts, what are all the ways in which we see Yeshua's disciples being Torah-observant people?
