[ACTS OF THE APOSTLES]

## Ch. 2:42-3:26 *"The Miracle at the Temple"*

### Discussion Questions:

1. How is the list of "four devotions" in Acts 2:42 perfect? And how have humans, over time, added to or taken away from this list, and to what effect?
2. Discuss what it means to do something "in the name of" someone else, and what it means to do something "in the name of Yeshua".
3. Turning back to John 9, find the menorah pattern it creates with the passage of the lame beggar in the beginning of Acts 3. What insights are brought out?
4. The early Messianic community was engaged in a kind of communal living in Jerusalem. How did that mode of living benefit them in their early development and in close proximity to the Temple, the geographical center of their growing Messianic faith?
5. Read through the parable of the wedding feast in Matthew 22:1-14. How does this relate to Peter's appeal to the Sanhedrin in chapter 3?
