

Passover

Discussion Questions

1. List the commandments regarding Passover.
2. List the elements of the seder plate and what they represent. How is this ancient seder a great teaching tool (what teaching techniques do you see in it)?
3. List ways the Passover lamb is like Yeshua. What can we specifically learn about Yeshua from this lamb that might be less clearly evident elsewhere?
4. Why do you think God designed the exodus to happen in the Spring? Give both practical and symbolic reasons.
5. How has God been working in your life in this season so far?
6. How has God worked in your family (this generation or previous ones) to bring freedom?
7. What kind of “mindfulness” might we have when eating matzah this week (what can we be thinking or praying about while eating it)?
8. In Exodus 12:27, the people bow their heads and worship. Why do you think they worship at this point? What can we learn about worship from this example?
9. If the Passover season is the “seed of the year,” containing what will develop in the year, what practical suggestions can you think of to help craft a seed that will yield good fruit this spiritual year?
