**Discussion Questions:**

1. Are you awake or asleep? How can you know the difference? If asleep, how could you wake yourself up?
2. How can you strengthen the "things that remain"? What do you think that means? How can you strengthen others who may be asleep/dying?
3. Which of your deeds are "incomplete"? Where should you be infusing life and heart into your deeds? Is there one deed you are certain you do 100% completely, with all your heart?
4. How are you guarding the treasure of the Kingdom? How would Satan love for you to be a sleeping guard? In what ways are you making sure you keep Satan from stealing from you and the Kingdom?
