The kids working on their coloring pages as we read.

The Sun Stands Still

11 And as they fled before Israel, while they were ^xgoing down the ascent of Beth-horon, ^ythe Lord threw down large stones from heaven on them as far as Azekah, and they died. There were more who died because of the hailstones than the sons of Israel killed with the sword.

We went outside to throw the hail (cup of ice)/stones from heaven

12 At that time Joshua spoke to the Lord in the day when the Lord gave the Amorites over to the sons of Israel, and he said in the sight of Israel,

^z“Sun, stand still at Gibeon, and moon, in the Valley of Aijalon.”

13 And the sun stood still, and the moon stopped,
until the nation took vengeance on their enemies.

The kids acting out the sun standing still and the moon stopping.

Is this not written in the Book of Jashar? The sun stopped in the midst of heaven and did not hurry to set for about a whole day. **14** ^aThere has been no day like it before or since, when the Lord heeded the voice of a man, for ^bthe Lord fought for Israel.

15 So ^cJoshua returned, and all Israel with him, to the camp at Gilgal.

Five Amorite Kings Executed

16 These five kings fled and hid themselves in the cave at ^dMakkedah. **17** And it was told to Joshua, “The five kings have

been found, hidden in the cave at Makkedah.”

The kids pretending to be the kings

hiding in the cave. We then rolled the ottoman in front of the cave pretending it was a stone.

18 And Joshua said, “Roll large stones against the mouth of the cave and set men by it to guard them, **19** but do not stay there yourselves. Pursue your enemies; ^eattack their rear guard.
